

## **Back by ‘pup’-ular demand: Pet Day at SAS!**

***Bring your pets to SAS world headquarters on Saturday, Oct. 3 for a fun morning of demonstrations, photo opportunities and competitions***

SAS employees and their families are invited to bring their pets out on Saturday, Oct. 3 from 8:30 a.m. to 12 p.m. to the SAS picnic shelter and softball field for one of the most favored family events held at the RFC: Pet Day!

The day starts with an optional walk, followed by an agility and tricks demonstration, a visit from the Cary Police Department’s K-9 unit, a photo opportunity, lots of pet competitions and tons of fun!

Do you think you have the smallest pet, the largest pet or the pet with the best trick, tail wag or the longest ears? If so, put your best paw forward and show off the furry members of your family and compete for prizes.
