

Spring Picnic will feature green fun for everyone!

SAS' 2010 Spring Picnic is May 1 and will feature locally grown food, entertainment and vendors. Final day to sign up is April 23

Get down with Mother Earth at the 2010 Spring Picnic Saturday, May 1 from 1 to 5 p.m. on the SAS world headquarters athletic fields and picnic shelter.

This year's theme is "Green Fun for Everyone." It will be a homegrown event featuring locally grown food, entertainment and vendors.

This will also be a "trashless" event, using only biodegradable or compostable disposables.

There will be green fun for everyone, including:

For the kids

- Carnival games and inflatables.
- Local organizations dedicated to sustainability.
- Plant a tomato or squash plant to take home.
- [Scrap exchange](#).

For the adults

- Farmer's market featuring produce, wine and cheese for purchase.
- Local organizations dedicated to sustainability.
- Plant swap hosted by SAS' Wild Thymes Garden Club.
- Plant a mini herb garden to take home.
- Local beer, wine and cheese sampling.

Attendees may also listen to local entertainment, participate in sustainable activities, and learn about efforts in the area to promote environmental awareness.

This year's menu includes a plethora of local foods such as:

- Pulled Smithfield barbecue pork.
- Local honey-mustard chicken.
- All-beef hot dogs with chili, slaw, mustard and ketchup.
- Tomato, cucumber and purple onion salad.
- Italian vinaigrette tortellini salad.
- Cole slaw.
- Roasted corn.
- Butter and herb new potato salad.
- Dinner rolls and butter.
- Maple View ice cream.

- Snow cones.

All SAS employees (full-time and part-time, student, substitute and DataFlux) and immediate family members living with them are invited. SAS retirees are also invited. We are sorry, but SAS cannot extend this invitation to contractors or temporary agency personnel (or any pets!) currently working at the SAS Cary office.

Friday, April 23 is the final day to sign up for the picnic.
