Hello SAS Global Forum Attendees!

Thanks to everyone for participating in SAS Global Forum 2010. Whether you presented, volunteered, attended for the first time or came as a repeat attendee, your participation helped make this conference a huge success.

A special thank you goes out to [Lauren Haworth](#), this year's conference chair, and to the section chairs for pulling together an impressive lineup of presenters to share their SAS expertise, practical tips, and updates on current topics.

Please join us at Closing Session from noon – 1 p.m. (Level 6, Room 6E) to thank this year's volunteers and introduce the conference leaders for SAS Global Forum 2011, which will be **Apr. 4-7, 2011** at Caesars Palace in Las Vegas.

Thanks again for your time and participation -- and I hope to see you at SAS Global Forum in Las Vegas next year!
