Do you have a profile on LinkedIn or Facebook? If so, search the 'groups' function to locate Canadian SAS user groups, including the SUCCESS Users Group. Why join? For professional networking, SAS related discussions and event notifications, and to become more involved with your local SAS user community.

Highlights from our last meeting:

The last meeting was held on April 28th, 2010 at the University of Saskatchewan. The agenda was a full one: from an exploration of the Matrix Language (IML) by Sylvain Tremblay of SAS through to a detailed walkthrough of PROC Mixed to highlights of Enterprise Guide 4.2 by Matt Malczewski of SAS, the presentations were well-rounded and covered a wide range of SAS applications. Jacqueline Quail of SHQC gave a great look at formatting variables from
