Matt Malczewski left a comment for Grant Woodward

“Hey Grant: thanks for joining us! You'll find lots of other SAS Canada staff in here as well, many of whom are actively blogging and contributing to discussion groups. At any rate, welcome! We hope you'll find this a great place to grow and share yo...”

# SAS Certification Workshop

## Register for a Customizable SAS Programming Workshop

[Register Here](#)

[Register Now](#)

Tuesday, October 11, 2011

8:00am-5:00pm

SAS Canada Offices

280 King St East, Suite 500

Toronto, ON

Workshop Fee: \$500 or .8 EPTO

Having completed your Programming 2 or Programming 3 course, you may have found that you would like to explore certain elements of the subject material in greater depth while preparing for SAS

*"After seeing the content and being tested by the Certification at both a base and advanced level, I would feel confident (with) programmers who have achieved SAS certification".*

NESUG Attendee

- Full-day workshop for advanced programmers (PROG2/3)
- Prep for SAS Certification
  - An opportunity to have **your** specific challenges on the agenda
  - Techniques to help you write your SAS Certification Exam
  - Hands-on time with a SAS Training Specialist to practice your coding skills
  - A practice SAS Certification exam with immediate access to results & discussion
- Focus Group on SAS Canada Community Site
