

SAS® PUBLIC SCHEDULE TRAINING PROGRAMME

■ Key Benefits

- **Role-Based Courses:** Our courses are grouped by typical job role enabling you to select appropriate training easily.
- **Taught by SAS Experts:** Booking a public SAS course ensures that you will be taught by a SAS and LPI Accredited expert, giving you confidence in your course leader's knowledge, expertise and skills.
- **Available throughout the United Kingdom, Ireland and online:** We have training centres in Marlow, London, Manchester, Glasgow, Dublin and also offer online training.

Education is the best way to get more from your investment in SAS®, and ensure your organisation is working at peak performance. Designed and delivered by SAS experts; our range of regular, job-role based courses are available at education centres throughout the UK, Ireland and online. They also include a package of post-course support and development.

Service description

Over 60 SAS public courses are now available with durations varying from one day to five week. Topics covered range from introductory material to advanced statistical techniques and business knowledge courses.

Our education centres in Marlow, London, Manchester, Glasgow and Dublin are all equipped with the latest technology, and provide lunch and refreshments.

Each course is taught by a SAS and Learning and Performance Institute (LPI) Accredited technical and education expert. All of our courses include a full set of notes and are enhanced by access to a package of post-course support.

Since 2004, SAS® Education has held and retained the coveted Learning and Performance Institute (LPI) Gold Standard award. We are proud to have had this mark of quality renewed each year.

Service activities

During each course, you will:

- Take part in interactive lectures and discussions
- Undertake practical exercises designed to re-enforce the topics covered
- Network with other learners and SAS staff.

Service deliverables

Each public course provides:

- A SAS and LPI Accredited course leader
- Course notes and exercises
- Access to a package of post-course support
- Use of appropriate software and hardware
- Refreshments and lunch.

Note: Courses held online provide downloadable course notes and no refreshments or lunch.

Duration

Public Schedule Courses vary in duration between one and five days.

Price

Prices vary between £485 for a one day course to £2,425 for five days.

You can also opt to pay making use of Education Units. An Education Units Agreement allows you to save money by purchasing pre-paid Education units. A custom event is charged at one education unit per delegate per day. Any required course development or preparation is then charged at additional units per day.
