

## **SAS® Global Forum News**

### **Agenda Builder Now Available!**

The Personal Agenda Builder is now available to help you plan, build and save a personalized schedule for SAS Global Forum 2009. Plan your days by choosing the paper presentation and activities you would like to attend. To use this convenient tool, click [here](#).

### **Don't miss the housing deadline!**

Make your hotel reservations before Feb. 20 to ensure you don't miss the discounted rate for SAS Global Forum 2009 attendees. Visit our [hotel page](#) for complete information on this year's official hotels.

### **SAS® Industry Solutions**

To stay in the game and win, you need agile strategies, clear-sighted decision making and the ability to focus scarce resources on the activities most likely to result in success. SAS industry solutions offer industry-specific software, domain expertise and data models designed to help you achieve objectives more quickly, with less risk and at a lower cost. Visit our [SAS Industry Solution](#) sessions to learn more about our featured keynotes.
