

## Wm. David Davis

Executive Vice President and Chief Financial Officer

### 50-Word Abstract

David Davis heads SAS' global financial operations, which encompasses over 70 legal entities and 400 employees worldwide. He is responsible for the company's financial planning, analysis and reporting. A Certified Public Accountant for over 30 years, Davis joined SAS in 1986 and has helped the company grow its revenues from \$75 million to \$3 billion.

### 100-Word Abstract

David Davis is responsible for SAS' global financial operations across 70 legal entities, including business analysis, financial and operational planning, and financial reporting. Previously, Davis served as a Senior VP and Chief Accounting Officer for SAS, where he was responsible for all accounting operations at the company's world headquarters in Cary, NC. With broad financial planning experience, Davis has been integral in establishing global standardized financial processes and systems, including the use of SAS® analytic solutions to provide insights into the business. Working with a multi-currency global footprint, he has implemented worldwide policies and standardized reporting since he joined the company in 1986. He is an active member of the NCACPA.
