# The Dead Horse Theory

1. Buy a stronger whip
2. Change riders
3. Threaten the horse with termination
4. Appoint a committee to study the horse
5. Arrange a visit to other countries to see how others ride dead horses
6. Lower the standards to include dead horses
7. Reclassify the dead horse as living impaired
8. Hire outside contractors to ride the dead horse
9. Harness several dead horses to increase the speed
10. Provide additional funding and training to increase performance
11. Doing a productivity study to see if lighter riders would improve performance
12. Declaring the horse does not need to be fed and reduces costs
13. Rewrite performance requirements for horse
14. Promote the horse to hire other dead horses
