

Newspaper Fashion Show

Have you always wanted to design your own clothes?
Well here is your chance!

What you'll need:

Newspaper (or any paper, magazines, tissue paper, etc.)

Stapler

Scissors

Tape

String
(or ribbon)

1

Start by drawing what you want your outfit to look like – maybe it's next season's hottest new dress or a new uniform for your favorite sports team.

2

Now it's time to create! Build the design of your dreams – maybe have a sibling, parent, or stuffed animal be your "model."
