

## Insurance ID Cards

Insurance identification cards are sent to employees upon enrollment in the SAS Medical Plan. ID cards will be mailed to your home address within one to two weeks of enrollment in the plan. All participants will receive **two sets of cards**:

1. Medical ID cards from Blue Cross Blue Shield of North Carolina.
2. Prescription ID cards from PharmAvail (Dental and Vision information can be found on the back of this card).

If you are only enrolled in the Dental and/or Vision Plans - and not in the Medical Plan - you will not receive insurance ID cards. If desired, you may download a generic dental ID card from the Ameritas website.

## Replacement Cards

If additional or replacement insurance ID cards are needed, you can request them directly from BCBSNC or PharmAvail, using the contact information below:

BCBSNC: 1-877-258-3334, or [www.bcbsnc.com](http://www.bcbsnc.com).

PharmAvail: 1-800-933-3734 or register an account at [www.pharmavail.com](http://www.pharmavail.com).

## Health Care FSA Debit Card

Participants in the Health Care FSA will receive a set of debit cards, called the "Benny card" upon enrollment in the plan.
