SAS® Global Academic Program

Analytical talent is in short supply and high demand in today’s business world. SAS seeks to bridge that gap by partnering with universities that offer the SAS® Joint Certificate Program.

Institutions that offer the SAS® Joint Certificate Program

**Undergraduate**

Asia Pacific University of Technology and Innovation (Malaysia)  
Data Analytics

Athens University of Economics and Business (Greece)  
Data Mining

Athens University of Economics and Business (Greece)  
Statistical Data Analysis

Bahir Dar University  
Statistical Data Analysis Using SAS

Brigham Young University  
Applied Statistics and Advanced SAS Programming Certificate

Bryant University  
Applied Analytics

Bryant University  
Data Mining

California Polytechnic State University  
SAS Programming and Data Analysis

California State University, Monterey Bay  
Business Analytics

California University of Pennsylvania  
Data Science

California University of Pennsylvania  
Statistical Analysis

Capella University  
Bachelor of Science minors Data Analytics, Data Management and Business Intelligence

City University of Hong Kong  
Data Analysis  
Data Mining  
SAS Programming  
Statistical Methods

Concordia University  
Advanced Analytics

D’Youville College  
Analytics and SAS Programming

De Montfort University (United Kingdom)  
Statistical Modeling

Doshisha University (Japan)  
Data Science

Elizabethtown College  
Data Analytics

Federation University Australia  
Data Analytics and Visualization

Ferris State University  
Informatics

Florida State University  
SAS Programming and Data Analysis

George Brown College (Canada)  
Analytics for Business Decision Making

HELP University (Malaysia)  
Business Analytics  
Data Analytics

Hang Seng University of Hong Kong  
Data Mining  
Machine Learning

Humber College (Canada)  
Marketing Analytics

Illinois State University  
Marketing Analytics

Kennesaw State University  
Statistical Analysis Using SAS

Korea University Sejong Campus  
Data Science and National Statistics

Lasell College  
Analytics

Lebanese University  
SAS Programming and Analytics  
Data Science

Loyola University Maryland  
SAS Business Intelligence

Macao Polytechnic Institute (Macau)  
Data Mining

Melbourne Polytechnic (Australia)  
Information Technology Analytics  
Software Development Analytics

Miami University  
Data Mining

Minnesota State University Moorhead  
Business Analytics

Missouri University of Science and Technology  
SAS Analytics
Montana State University Billings
Business Intelligence and Data Mining

Nanyang Polytechnic
Applied Analytics in Data Science

North-West University
Actuarial Analytics
Business Analytics
Financial Analytics
Quantitative Risk Analytics
Statistical Analysis
Advanced Actuarial Analytics
Advanced Business Analytics
Advanced Financial Analytics
Advanced Quantitative Risk Analytics
Advanced Statistics Analysis

North Carolina Central University
Statistical Analysis with SAS

Northern Illinois University
Business Analytics

Open University of Hong Kong
SAS Programming and Data Mining

Pfeiffer University
Big Data Management

Purdue University
Marketing Analytics for Management

Rasmussen College
Data Analytics

RMIT University (Australia)
Analytics

Seneca College of Applied Arts and Technology - Canada
Advanced Analytics of Marketing

Shiga University (Japan)
Data Science

Slippery Rock University

St. Mary’s College of Maryland
Economic Statistics and Analysis Using SAS

State University of New York at New Paltz
Business Data Analytics

Stetson University
Business Intelligence and Analytics

Sunway University (Malaysia)
Advanced statistical techniques for data science and predictive analytics
Big Data With Advanced Techniques in Data Science
Data Mining and Business Intelligence

Tokyo University of Science (Japan)
Computational Statistics

Troy University
Data Analytics

UiTM (Malaysia)
Fundamental Course in SAS® Enterprise Miner™, SAS® Enterprise Guide® and SAS Foundation

Universidad Complutense Madrid
Applied Statistics

Université Paris-Est Créteil (France)
Economic Data Analysis

Universiti Kuala Lumpur Business School (Malaysia)
Financial Analysis

Universiti Malaysia Terengganu
Advanced Statistics and Operations Research

University of Akron
Economic Data Analytics

University of California, San Diego
SAS Programming Certificate

University of the Fraser Valley (Canada)
Data Analysis

University of KwaZulu-Natal
Statistical Analysis Using SAS

University of Milan-Bicocca (Italy)
Data Analysis

University of Mount Olive
Business Analytics

University of New South Wales (Australia)
Business Analytics

University of North Florida
Statistical Analysis

University of Palermo
Data Analysis

University of Pretoria (South Africa)
Introduction to Big Data Analytics
Introduction to Statistical Learning

University of West Georgia
Data Analytics

University of the Western Cape
Programming and Statistical Analysis

Western Kentucky University
Data Analysis

Western New England University
Analytics certifications

Widener University
Business Analytics

Yonsei University (South Korea)
Data Science

Youngstown State University
Economic Data Analytics

Zurich University of Applied Science (Switzerland)
Applied Business Analytics
