Forum*

Demo Area

- **My favourite haunt this year**
- **(not just because of the analytics table)**
- **Focus on emerging Procs, mobile analytics**
- **(Wally, what is 12.1 anyways??)**
- **Even "contacted" tech support while there**

Poster Area

- **Interesting conversations**

Presentations

- **Statistics (I am a statistician after all!)**

Common Thread

- **The People, The Sense of Community**

Presidents' Meeting

- **Theme: How can SAS help the user groups?**

- **Two ideas stuck with me...**

Mini workshops?

- SAS didn't offer quite, but....

"Interfaces" Group

- **Interest....**
- **For those here today?**
- **Do you know someone?**

- **Please contact any of the exec if you, or someone you know, is interested.**
- **My e-mail doug.dover@gov.ab.ca**

Thank you.
