SAS® Academy for Data Science: **Recommended Study Time**

The SAS Academy for Data Science prepares you to become a SAS Certified Data Curation Professional, SAS Certified Advanced Analytics Professional and SAS Certified AI & Machine Learning Professional, depending on your goals.

Our self-paced e-learning gives you the flexibility to take the training at your own pace, at your convenience.

How many hours should you study each week?

Use the table below to determine your weekly time commitment.

Program	12 months	10 months	8 months	6 months	4 months	2 months
SAS Certified Data Curation Professional	3 hrs.	4 hrs.	5 hrs.	6 hrs.	9 hrs.	18 hrs.
SAS Certified Advanced Analytics Professional	4 hrs.	5 hrs.	7 hrs.	8 hrs.	13 hrs.	27 hrs.
SAS Certified AI & Machine Learning Professional	2 hrs.	3 hrs.	4 hrs.	5 hrs.	7 hrs.	14 hrs.
