### 50-Word Abstract

John Brocklebank oversees the SAS Global Hosting team, the US Professional Services team, and the Advanced Analytics Lab. He leads a division of more than 1,100 employees dedicated to ensuring customer satisfaction and providing seamless customer delivery services and support.

### 100-Word Abstract

John Brocklebank, Executive Vice President of SAS Global Hosting and US Professional Services, has more than 36 years of SAS programming and statistical experience. He leads a division of more than 1,100 employees, nearly 400 of whom are doctoral-level SAS experts who create advanced analytics solutions that are critical across industries, as well as state and local government - such as fraud, waste, tax collection, public safety and education. In addition, he is responsible for managing the various ways customers prefer to access SAS technology - on demand, on-premises or in the cloud.
