I. SAS 국제 자격인증 시험에 처음 응시하는 경우

Step5. SAS Global Certification Program이란 제목으로 발송된 e-mail에서 링크 클릭하여 password 설정 후, "Register" 클릭하면 정보 등록 및 Account 생성 완료

Dear **Gil-dong**

This email was sent to verify your registration made in **SAS Certification Manager**. After you verify your registration, you will have access to the system.

SAS Certification Manager allows you to schedule exams and manage your certification history after you have taken an exam. You will also use this system to print your certificate after you earn a SAS credential.

Follow this link to activate your **SAS Certification Manager** account and set your password.

https://www.certmetrics.com/sas/public/candidate_registration.aspx?sr=79B0BD51BA8B629ADBBA471A93DF30A60F0F8B052DE6C9248BA916FB7C175503DACB224D5E73411848CD739F94C046DFE001FF7B7172131BE79759972014F45AB817BB1F78F65E2B8A2607EDB430

To ensure the security of your data, the link will expire after 6 hours.

Once your account is activated, you can access SAS Certification Manager at www.certmetrics.com

- One-click sign-in to Pearson VUE to schedule or modify an exam appointment
- view your certification and exam history
- download certificates and logos
- update your demographic information and opt-in status
- link to view and share your digital badges
- control how your certifications appear in our public registry
- print your certificate (for certificates earned after Dec 1, 2012)

Complete Registration

Please verify your information. By clicking on the Submit button, you are confirming that the information is correct.

By clicking the Submit button, you certify that the information is correct. A new candidate record will be created and you will be able to login to the system.

Please enter your password.

Password must be between 12 and 50 characters and must be a mixture of letters and non-letters.

Password may not repeat the same character more than twice sequentially.

Password may not contain your loginID or name.
