THE POWER TO KNOW<sup>®</sup>

STUDENTS

# Be a Part of SAS® Analytics U

SAS Analytics U is designed for students like you. By joining the SAS Analytics U community, you can easily access SAS software, find support on how to use SAS in your classes, and connect with other SAS users in academia.

## Key Benefits

- Online community specifically for students
- Support materials for learning, such as online tutorials
- Opportunities to connect with businesses looking to hire

## 3 Ways to Get SAS® Software

1. **SAS® University Edition software.** Free, downloadable software, including Base SAS, SAS/STAT®, SAS/IML®, SAS/ACCESS® Interface to PC Files and SAS Studio
2. **SAS® Education Analytical Suite.** Licensed software for computers and computer labs on campus
3. **SAS® OnDemand for Academics.** Internet access to free software, including the latest version of SAS Studio
